## Yazidi women and girl refugees in Canada are in jeopardy

Rev. Majed El Shafie will speak on the plight of Yazidi women and girls in Canada and Iraq. The Yazidi are survivors of genocide and enslavement by ISIS.

How can we support them?

As a young man, Majed El Shafie was an Egyptian Muslim who converted to Christianity and was tortured and sentenced to death. He now advocates for anyone who suffers religious persecution.

Rev. Majed El Shafie went on to found One Free World International.
